Dear Sir/Madam,

As I am sure you are aware, the suggested dates for election of student (“class f”) members of faculty boards are very soon. Although, undoubtedly, your faculty will be organising internal publicity for this election, it is hoped that the enclosed pack of information will prove useful.

In particular, please find enclosed a single page with some suggestions from CUSU on how to make the election run successfully. Finally, the most important document is the *Election Result Form* with an attached envelope addressed to CUSU. One of the problems we have had in previous years is that results of the elections have not always been announced to CUSU. Therefore, we would be extremely grateful if this document could be returned in the U.M.S. as soon as is possible after the election.

If CUSU can be of any assistance to you in running the election, please do not hesitate to contact me. By email is the easiest method: *education@cusu.cam.ac.uk* or you could call or leave a message for me at the CUSU offices: 01223 3[33313].

Yours faithfully,
