

## **CUSU Notes**

1. The implementation University's policies on plagiarism are currently being reviewed and discussed.
2. CUSU currently has no policy on plagiarism which can act as a guide for CUSU Officers in their dealings with the university.

## **CUSU Resolves**

1. Deliberate plagiarism cannot be condoned.
2. Accidental plagiarism, often caused by inexperience with academic conventions, should not be treated as a punishable offense.
3. The University must ensure that all students are aware of its policies on plagiarism.
4. The University must offer guidance so that all students are aware of the academic conventions which, when misused can cause accidental plagiarism.
5. That scanning software should only be used in cases of suspected plagiarism and not automatically on all work.
